

BURDEN OF COMMAND

A GALAXION MINI STORY

BY TARA TALLAN

DARVIN!
WHAT ARE YOU
DOING *HERE*?

STUDYING,
MY DEAR.

AND SPEAKING OF,
YOU **DO** KNOW THIS
STUDY ROOM IS SUPPOSED
TO BE FOR **IMBRIUM**
STUDENTS ONLY?

pfft.

AS IF
THOSE JOKERS
PLAYING GATE GUARD
ARE GOING TO
STOP **ME**.

ANYWAY.

WHY
AREN'T
YOU OVER
AT
THE— *

UM,
ZAN.

WHAT
IS THAT
YOU'RE
DOING?

HEY, FUSELLA.

I'M BUILDING
AN INTERPRATIVE
MODEL OF THE
SCHWARTZCHILD
RADIUS.

RENDERED IN
POPSICLE STICKS.
HUH.

HIS FIRST
CHOICE OF
BUILDING MATERIAL
WOULD 'VE
COLLAPSED
THE TABLE.

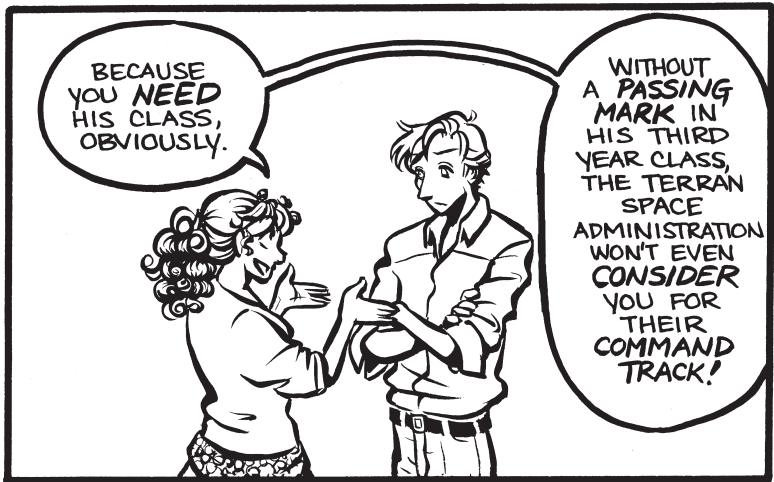

I
REMEMBER
THE MODEL
PROJECT...

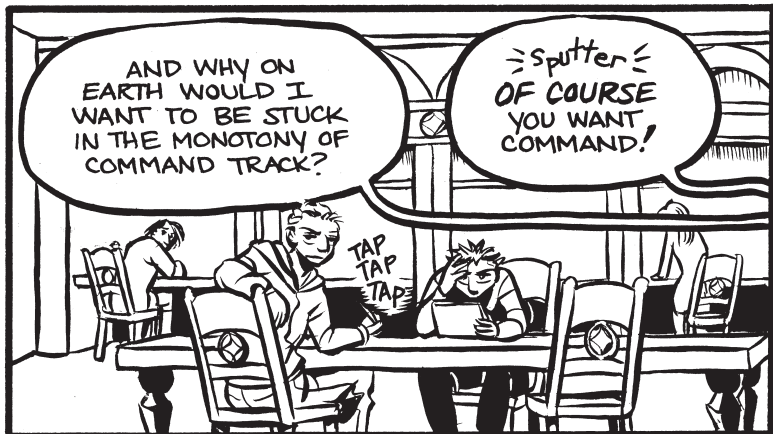

BUT AS
I RECALL,
PROF. KLEIN
WANTED
VIRTUAL
MODELS.

I KNOW.
BUT THIS
IS MUCH
MORE
INTERESTING.

SO, GO
SIGN UP AND
WE'LL BE IN
THE CLASS
TOGETHER!

OH...
ALL RIGHT.

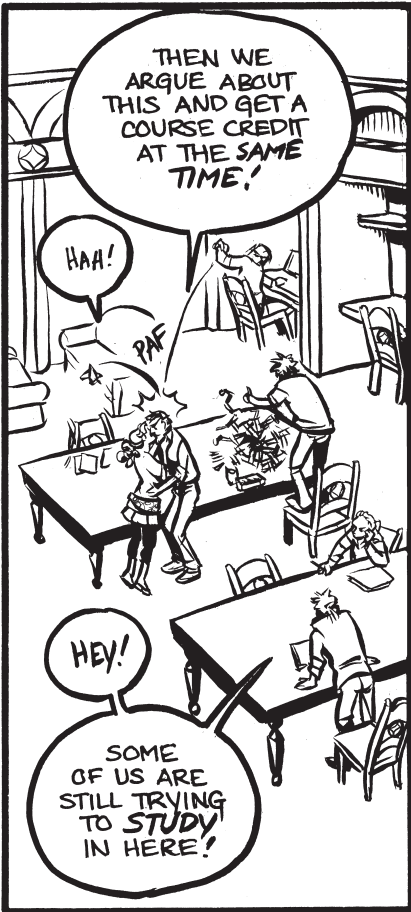

THEN WE
ARGUE ABOUT
THIS AND GET A
COURSE CREDIT
AT THE SAME
TIME!

HAA!

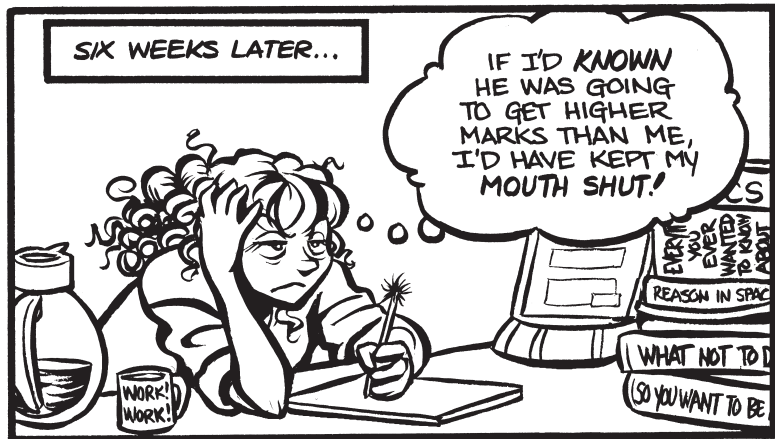

PAF

HEY!

SOME
OF US ARE
STILL TRYING
TO *STUDY*
IN HERE!

...and in the end, surprisingly,
all three of them get their wish.
